## History in Industry & Innovation

With over 140 years in the business of Caring for You, American Standard is a leader in Kitchen and Bathware products in residential and health-care applications, and is dedicated to innovative home safety products.

## Quality & Reliability

American Standard is committed to the highest standards of quality and reliability to remain a trusted manufacturer. The American Standard name has become synonymous with exceptional value, quality & reliability.

## Accessibility Features

American Standard has been creating innovations that have set the standard for healthy living and accessible style and design. We want to improve your home's safety & accessibility, and we genuinely want you to love your bathroom

## 100% North American Manufactured

American Standard walk-in bathtubs are made and assembled in Grand Prairie, Texas. As part of the American Standard family, Safety Tubs employees stand behind the walk-in tub products and their work. We at The Walkin Tub Company stand behind our process.

## Design Consultations & Support

Our Certified Aging in Place Specialists assist consumers and contractors in accessible bathroom design specific to bathroom safety and independent living.

## Logistical Support & Triple-Testing

All Comfort Series by American Standard walk-in bathtubs are triple-tested; once at the manufacturing plant in Texas, again at our distribution facility in Ontario before shipping, and a third time at installation.

## Personalized Client Assessments

Each of our Certified Aging in Place Specialists will provide a personal home visit to assess a customer's bathroom for modification. Our staff also works with contractors to educate on placement, access, and design.

## Professional Certified Installations

Each of our American Standard walk-in tubs are installed by factory trained & certified specialists through The Walkin Tub Company. Our professionals work quickly and carefully to ensure an excellent experience, and will show each customer how to operate and maintain their specialty bathtub.

## Preferred Healthcare Vendor

American Standard & The Walkin Tub Company is a manufacturer of choice and preferred vendor in Community Living Projects, Institutional & Healthcare Projects, and with Mobility Specialists and Clinicians.

## Lifetime Warranty & Customer Support

We are proud to offer the best lifetime warranty on walk-in tubs. Simply put, the **ONLY** Lifetime Warranty on the bath AND installation, INCLUDING labour. We stand behind our walk-in tubs, and our 140 year heritage & commitment to improving lives and raising the standards for bathing. Our customer service professionals are knowledgeable, and are able to assist needs of our customers.
