

ComfortSeries™

American Standard

QUICK DRAIN® INCLUDED

Exclusive innovation drains water in less than 2 minutes. Fast draining. No waiting.

BUILT-IN SAFETY GRAB BAR

Sturdy, secure and within reach for added safety and peace of mind.

TEXTURED FLOOR

Reduces the chances of slipping and adds security

CHAIR-HEIGHT BUILT-IN SEAT

17" chair height and contoured design makes sitting and standing easy and comfortable.

CHROMATHERAPY

7 LED light options to help boost relaxation and reduce tension, for a positive effect on health and mental well-being.

TOUCH PAD CONTROLS

Easy touch panel allows you to control all the electronic features of the tub

EXTENSION KIT

Allows for a perfect fit into a space up to 60"

DEEPER SOAK

Nearly twice the depth of standard bathtubs so you can enjoy a full body, warm, soothing soak.

REVITAJET® WHOLE BODY HYDROTHERAPY SYSTEM

Turn your tub into a spa with 44 whirlpool and air massage jets. Features advanced back, wrist/hand and leg therapy, and unique legs-only deep-tissue massage.

AMERICAN STANDARD FAUCET, HANDSHOWER & 24" SAFETY SLIDEBAR

For the ease of showering as well as bathing

INLINE HEATER

To maintain water temperature

AROMATHERAPY

Stimulate your senses with the power of scent to trigger positive emotional well-being

PATENTED DOOR SYSTEM

Provides a completely flat surface for a watertight seal. Maintains strength with moisture changes in bathroom. Non-corrosive aluminum construction. Ergonomic handle for easy, minimal-effort use. Available in 4 sizes, inward and outward opening doors
