## Benefits

Designed to meet the aging needs of people who wish to stay in their own homes longer, safer, and healthier; ComfortSeries™ accessible & walk-in tubs also feature our RevitaJet® Hydrotherapy System, used often to treat chronic conditions, ease pain, stress, tension on joints, and improve circulation. Therapeutic advancements will help relieve:

- |                       |                   |                     |                    |
|-----------------------|-------------------|---------------------|--------------------|
| ✓ Arthritis           | ✓ Headaches       | ✓ Joint Compression | ✓ Muscle Stiffness |
| ✓ Circulatory Disease | ✓ Injury Recovery | ✓ Knee Pain         | ✓ Rheumatism       |
| ✓ Diabetes            | ✓ Insomnia        | ✓ Knee Replacement  | ✓ Sciatica         |
| ✓ Fibromyalgia        | ✓ Joint Pain      | ✓ Lower Back Pain   | ✓ Stress           |
